

“tls is a creative production facility for people who need events, exhibitions or digital content to deliver memorable impact and connect with their target audience.”

We design experiences that move people from brand awareness to driving attitudes and behaviour.

## VIDEO

Not only do we deliver exceptional exhibitions and events, TLS has considerable experience in filming and producing educational and highlights packages for marketing, PR, sponsorship, event presentation and review purposes.

tls has a proven track-record in the following areas: Scripting & creative services, Filming & on-location services, Video editing, Graphic design, 2D motion graphics, 3D environments & animation, Sound design & voiceovers and Large-format projection.

## RECENT

In addition to delivering TVC's for a range of clients tls also produces a 30min TV show called *Savepoint* weekly. You can check out **save point** at 6pm on Saturday nights on OneHD or at [www.savepoint.net.au](http://www.savepoint.net.au)

## TESTIMONIALS

“The most recent example of your innovative media solutions has delivered a series of high end online webcasts which provide invaluable industry insights and updates.”

**John Todd**  
FST Media

“Finding a partner like tls who create many media projects for us within set budgets and a limited time frame is invaluable to our company.

Their exceptionally talented and friendly crew make every project a breeze and the outcome is always top class.”

**Ali Steadman**  
Sydney FC

“ONE has been airing a gaming segment SAVE POINT for the last few weeks, and have more in the works. We have used tls to produce the program and have been very happy with the quality and production of the show.

ONE airs programs in HD - so having a good broadcast quality product is very important to us”

**Geoff Rupp**  
Network Ten
